Piantana con superficie espositiva
in metacrilato satinato sorretta da due
montanti in alluminio estruso, grafica
in pellicola adesiva.

*Stand with expositive surface in
methacrylate satin, supported by two
extruded aluminium rods and graphic
in adhesive film.*

Sistema segnaletico che riunisce la tipologia Totem
e piantana, nelle quali la superficie espositiva in
metacrilato diventa protagonista, creando strutture
leggere ed eleganti.

*Sign system that brings together the typology Totem
and Stand in which the expositive surface in
methacrylate becomes the protagonist, creating light
and elegant structures.*
